PUBLICATIONS AND BLANK FORMS MANAGEMENT

SUMMARY OF CHANGES

Eliminated the obsolete statement about ownership of publications received from National HQ, since all are now received electronically on demand.

CAPR 5-4, 5 February 2007, is supplemented as follows:

3.a.(1) Commanders who elect to publish supplements to regulations, or operating instructions must submit all proposed publications to HQ CAWG/DA for review by the appropriate OPR and approval by the wing commander. When approved and published, the unit will provide one copy to HQ CAWG/DA.

7.c. Individuals who desire CAWG publications for their personal use, or units desiring extra copies, may download them from the Internet (<http://www.cawg.cap.gov>).

7.d. Unless otherwise indicated in CAWG Supplement 1 to CAPR 0-9 or on the form itself, all CAWG forms, may be reproduced locally. Be sure to use a high quality copier and copy two-sided forms on both sides, as in the original.
